# READ THE CLUES BELOW TO SOLVE THE CROSSWORD PUZZLE

## ACROSS

- 2.** When you bounce the ball on the floor to move from one end of the court to the other.
- 4.** What does LeBron turn into when Al-G sends LeBron to Looney Tunes World?
- 7.** Although there are lots of fast members of the Tune Squad, his compact size allows him to blast past the Goons and head straight for the basket.
- 8.** He is a good basketball player but is easily distracted by yarn and must fight the temptation to chase his teammate Tweety.
- 9.** A sweet, sassy old lady who is good at basketball.
- 10.** Not the tallest on the team but at least his hat gives him a couple of inches.
- 11.** Normally, he likes to chase Bugs ("Stop, you wascally wabbit!") through the woods, but once he joins the Tune Squad, he chases the ball up and down the wooden court.
- 14.** A \_\_\_\_\_ is when you jump in the air and score by putting the basketball directly through the hoop above the rim.

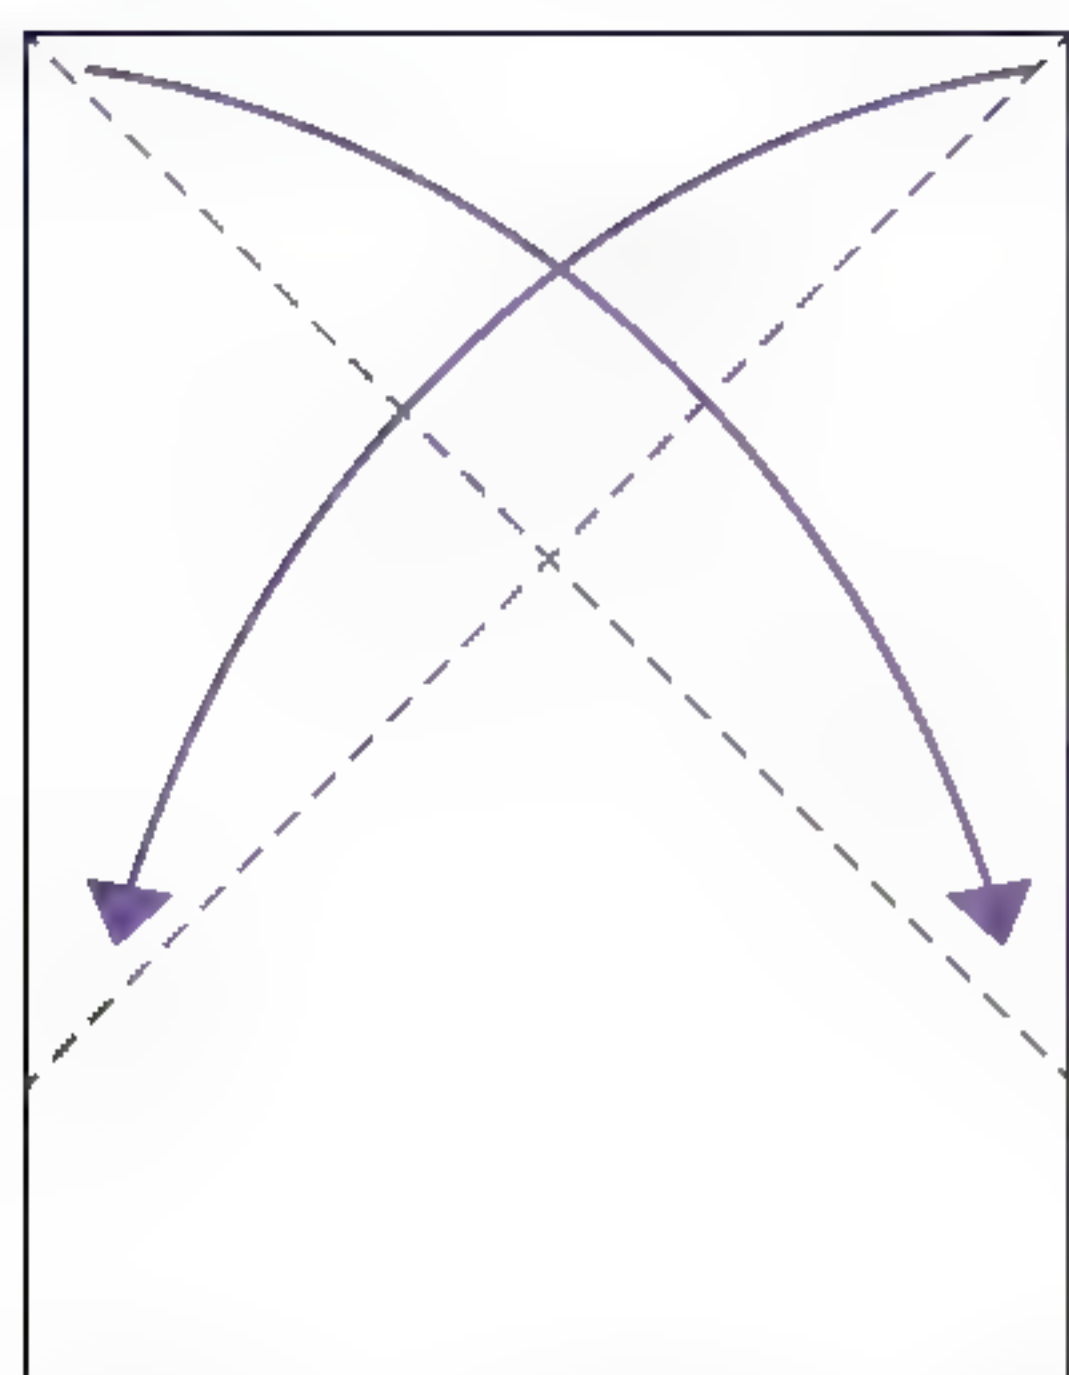

## DOWN

- 1.** She is the best basketball player on the court besides LeBron.
- 3.** Although he isn't much of a trash-talker, he lets his playing do the talking. He's in great shape from constantly chasing the Road Runner so he is an asset to the Tune Squad.
- 5.** This player can turn into a whirling tornado of destruction.
- 6.** This is one fowl who's not afraid to foul! The Goons don't scare him — once he steps onto the court, he's no chicken.
- 8.** LeBron James and Bugs Bunny go on an epic animated/live-action adventure called \_\_\_\_\_.
- 12.** The team that LeBron plays on.
- 13.** Al-G Rhythm's basketball team.
- 15.** Basketball is all about having \_\_\_\_.
